

A large elephant is partially submerged in a body of water, with only its head and back visible. In the background, another elephant stands on the shore. The scene is set during a vibrant sunset, with the sun low on the horizon, casting a warm orange glow across the sky and water.

## UGANDAN VISA INFORMATION

With effect from 01 July 2016, the Government of Uganda introduced an online visa application system.

Guests intending to visit Uganda for tourism-purposes are required to apply and obtain a visa online using this link; <https://visas.immigration.go.ug/>.

We have a separate document detailing more information on how-to apply – please advise us if you need this.

Single entry tourist visas are available at a cost of \$50), and East African tourist visas (**between Uganda | Rwanda | Kenya**) are available at a cost of \$100.

All health vaccinations and medications, including, but not limited to:

Yellow Fever vaccinations are currently compulsory for entry into Uganda.

All those entering Uganda must be in possession of a valid and original Yellow Fever vaccination card, International flights and associated airport departure taxes and a valid passport.
